Then Nebuchadnezzar was furious with Shadrach, Meshach and Abednego. He ordered the furnace heated seven times hotter than usual and commanded some of the strongest soldiers in his army to tie up Shadrach, Meshach and Abednego and throw them into the blazing furnace

We Are the Change

Allen Dyer shared Mohammed Falah's photo.

I want everyone to see this. A view of Iraq that doesn't make the news we usually see. This is a group of medical students delivering food and blankets to displaced persons. Very sophisticated, very humanitarian, very progressive. "We are the change" This is the new face of Iraq. This is the hope we have been hoping for.

Mohammed Falah was with Fdel F. Alameidy and 3 others.

شيء يفرح القلب .. عندما ترى شخصا قضيت معه فتره لا تزيد عن
اليومين من خلال المؤتمر الطبي الذي اقامته كلية الطب في 15 / 2 /
2015 .. ومن خلال الحوادث التي جرت معه وكذلك من خلال الذي
راءه من تنظيم للمؤتمر والذي قدم له هنا من عنايه واهتمام من قبل
السيد العميد الدكتور مشتاق وتوت وباقي اللجان .. تراه يقدر ويفهم
الفكره التي نسعى لها وهي مجتمع عراقي جديد يسعى للتطور
والنمو .. ويساعد بعضه بعضا .. ونراه يقدر دور الشباب في التغيير
نحو الافضل .. وليس كل ما يقال عن العراق في الاخبار صحيح ..
فشكرا جزيلاً له ..

When we see person that we spent with him through medical conference held by the college of Medicine in babylon at 15/02/2015 .. Through the conversations with him, as well as through who gave him care and attention specially Dr.moshtak witwit .. we can see that he understood the idea .. that we have a new Iraqi society which seeks to develop and grow .. and help each other .. and we see the role of youth in the estimated change for the better .. Thank you very much for this

To set aside the sympathy we extend to others beset by war and murderous politics for a reflection on how our privileges are located on the same map as their suffering, and may—in ways we might prefer not to imagine—be linked to their suffering, as the wealth of some might imply the destitution of others, is a task for which the painful stirring images supply only an initial spark.
